

HOPE 25 Auto Quiz

Test your knowledge about automobiles and automotive technology

Objective:

The Auto Quiz at HOPE 25 is a thrilling battle of wits for automobile enthusiasts and engineering minds alike. Teams will compete to prove their mastery of automotive technology, covering topics like vehicle design, engines, manufacturing, and the latest trends in the automotive industry. From classic cars to cutting-edge innovations, this quiz will test your knowledge and quick thinking!

Event Details:

Team Competition (Up to 3 members per team)

Prizes:

1st Place: ₹1500 | 2nd Place: ₹1000 | 3rd Place: ₹500

Rules and Guidelines:

Eligibility:

- Teams must **register online** at hope.gptcperinthalmanna.in by **March 5, 2025**.
- Teams can have a **maximum of 3 members**. Solo participation is **allowed** but will be treated as a team of 1.

Format:

- The quiz will consist of multiple rounds, such as:
- Preliminary Round: Written or oral general knowledge questions (if needed for screening).
- Main Rounds: Mix of multiple-choice, buzzer, and rapid-fire questions.
- Exact format and number of rounds will be announced at the event start.
- Topics include: Automotive history, engine mechanics, vehicle dynamics, electric vehicles, and industry trends.

Duration:

- Total event duration: Approximately 1.5 to 2 hours (depending on the number of teams).
- Each round will have a specific time limit, enforced by the quizmaster.

Team Rules:

- Teams must register together and participate as a unit throughout the event.
- Substitution of team members during the competition is not allowed.

Resources:

- No external resources (e.g., mobile phones, books, or notes) are permitted during the quiz.
- Pen and paper may be provided for certain rounds if required.

Scoring:

- Points will be awarded based on correct answers; negative marking may apply for select rounds (details provided at the start).
- Tiebreakers will be resolved through sudden-death questions or additional rounds.

Judging Criteria:

- Accuracy: Correctness of answers.
- Speed: Quick responses in buzzer or rapid-fire rounds.
- Team Coordination: Effective collaboration during team-based questions.

General Rules:

- Participants must arrive at the venue 15 minutes before the event for registration verification and briefing.
- Use of electronic devices or communication with outsiders during the quiz will lead to disqualification.
- The quizmaster's decision on answers and scoring is **final**.
